OK Ed. Will forward to Co-Chairs for their update and reference. Thank you again. Diana, the information is for the Mayor's reference and he is not required to attend. Thank you all. My best. Pablo

Subject: Agenda

Pablo,

Here's the agenda I suggest. Since there is another item on the agenda, I assume this can only take 30 minutes or so for presentation/discussion/question/answer/etc. So it need to be very high level on policy issues. Jim Janacek wanted to review it before it is finalized, so I am sending it to him.

Ed
