Dear Mr. Janacek:

In response to your recent letter to me, I am not aware of any intent to gift this facility (the Desalination Plant) to the Army/DOD. However even if that were the case, I must assume the PSB can make the case for a public purpose. Under the state law, the management and control of the PSB is vested in the board of trustees and neither the Council nor I have any control over their actions. Any allegations of criminal activity should be made to the FBI and the SEC, if that is how you really feel.

I hope this is helpful.

Sincerely,

*Joyce A. Wilson*
